

To: **Lincoln Parish Police Jury Members**

From: Sheriff Mike Stone
Chief Dennis Ford
Architect Mike Walpole

Reference: Request to proceed with initial phase of proposed Public Safety Complex.

REQUEST: In order to move the proposed complex project forward we are requesting permission to do the following work:

- #1. Development of design work through rough grading, utility extension to site and site retention.
- #2. Demolition of existing structures and paving on site that interfere with site preparation work.
- #3. Installation of engineered select fill to pre-determined rough grades and installation of site drainage piping and structure..
- #4. Development of water retention for the site.

FUNDING: We plan to use funding that is already in place to complete requested work. Anticipated cost should be less that \$1,000,000.

SECURED FUNDING OR COMMITMENTS:

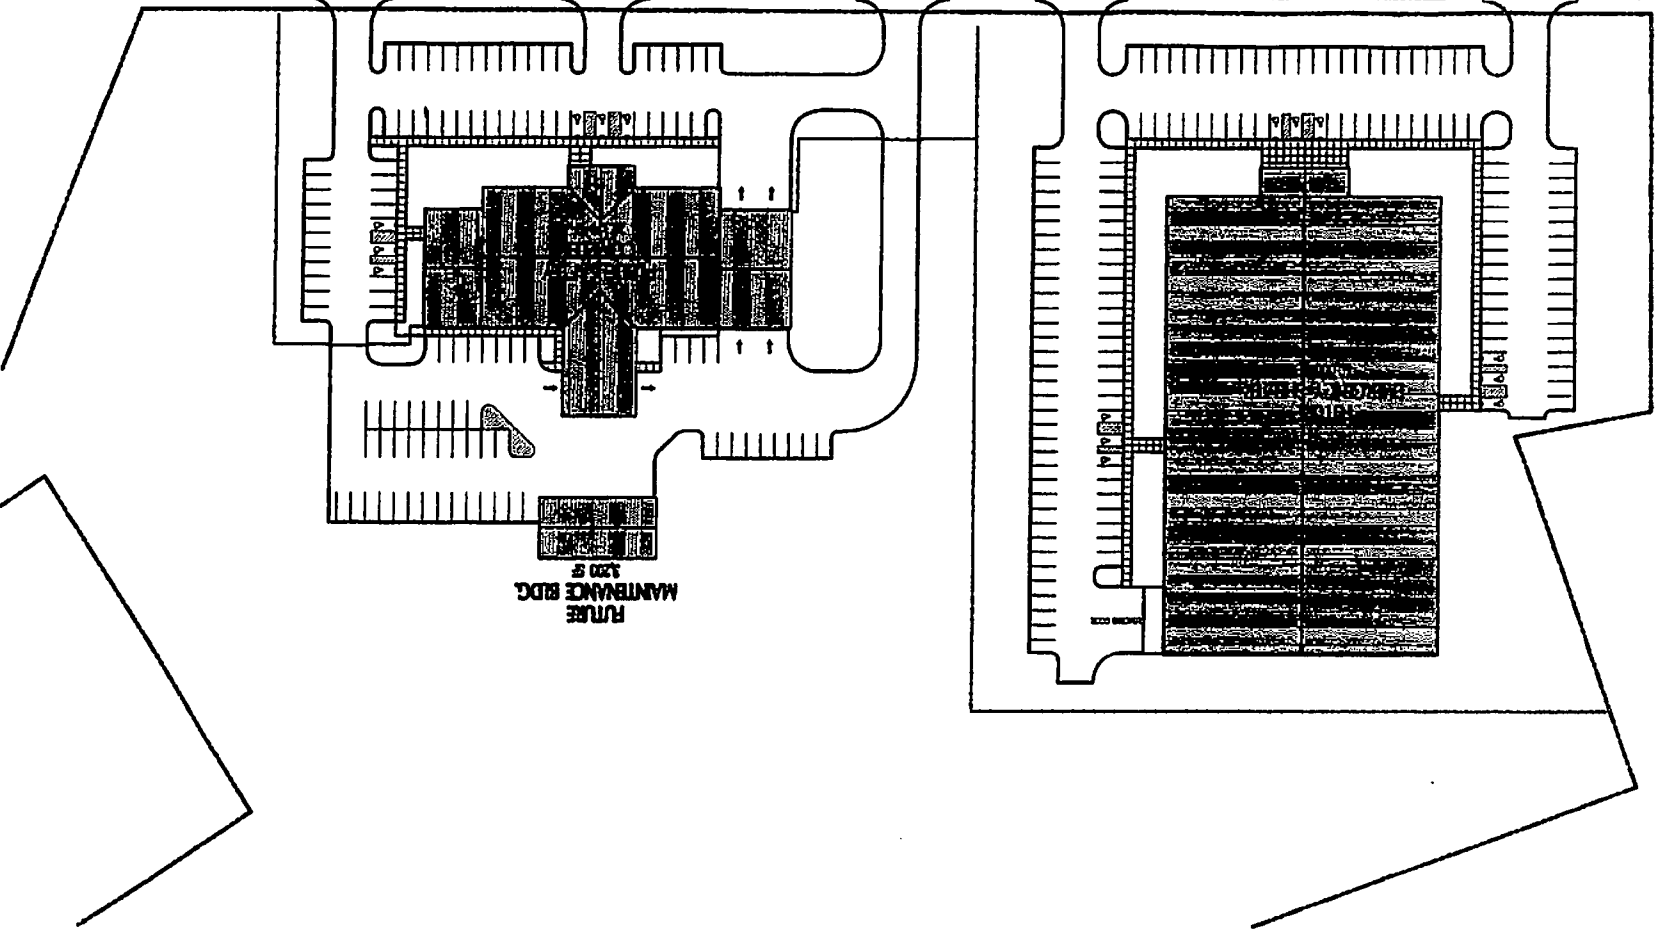

\$ 45,000	State of LA for Preliminary Planning
\$ 95,000	State of LA – Capital Outlay
\$ 980,000	Federal Funds
\$ 1,000,000	State of LA Funds (Priority V)
