September 24, 2010

I, Leslie Thompson, Mayor of the Town of Jonesboro, do take this opportunity on September 24, 2010, at 10:30 a.m. to veto the action of the Board of Aldermen, which was taken on September 15, 2010, to pass and adopt the 2010-2011 Budget.

I veto it on the grounds that it is the authority of the Mayor to create and to submit the budget and, in this case, the Board has over-stepped its authorized and legal boundary by submitting its own budget. The law also affords the Mayor to operate on 50% of last year's budget in the event the Board and the Mayor are not able to agree.
