SUBJECT: Certificated Classroom Teacher and Support Employee Payment

Background

During the 2013 Louisiana Legislative session, funding for a payment to certificated classroom teachers was approved. This payment is currently considered as a one time payment and may be approved in the future as a base pay increase. For Lincoln Parish School Board, the amount computed by the state is \$636. We would also suggest that our support workers receive half that amount, \$318. If approved, funding for the payment for support employees will come from the General Fund.

Recommendation

That the Board approves of the payment of a \$636 stipend for certificated employees and a \$318 stipend for support workers to be paid on October 25, 2013.
