MEMO

To:

Lincoln Parish School Board Members

From: Wike Milstead, Superintendent

Date:

August 18, 2017

Re:

Capital Outlay Plan

Background

The Lincoln Parish School Board has used a capital outlay plan as a guide for estimating future spending related to construction updates and/or new construction. This provides a sense of direction related to the best use of available resources to help in the implementation of a plan that incorporates population trends, needs assessments for facility updates/maintenance, and the district strategic academic plan. The document serves as a guide for spending in order to prioritize district facility needs. Major spending initiatives based on capital outlay priorities will be brought before the entire Lincoln Parish School Board for a vote as needed.

Recommendation

That the Board approve the Capital Outlay Plan as a guide for future major spending for district construction and/or maintenance issues.

RE:

Permission to Advertise for Bids for Projects on the Capital Outlay Plan for

17-18

Background

Due to having numerous bid dates for projects on the Capital Outlay Plan for 17-18, I am requesting that authorization be given to allow the architect, Mike Walpole, to advertise for bids as he completes respective plans and prepares for each bid date. Each of the projects shown on the attached list was previously presented and approved by board members. Providing Mr. Walpole the general authorization will allow him to move forward and avoid coming back to the Board each time for permission to bid. This action will likely prevent any delays which may occur as a result of completing plans mid-month.

Recommendation

Grant authorization for our architect, Mike Walpole, to advertise for bids for projects on the Capital Outlay Plan for 17-18 as he determines he is ready to do so.

RE: Permission for Superintendent to Award the Bid for the Construction of

Special Education Classrooms at Ruston High School

Background

With granting permission to advertise for bids for construction of Special Education classrooms at Ruston High, the architect will encounter the problem of initiating and completing the project over the course of winter and spring for it to be completed by the beginning of school in August 2018. Almost inevitably there are weather delays associated with winter work. As much as two additional work weeks would likely be gained if the Board gave the superintendent permission to evaluate and award the bid for this project. He would notify the Board at the next scheduled meeting of the Lincoln Parish School Board. The amount of the accepted bid could not exceed the projected amount by 15% for the Superintendent to commit on behalf of the Board.

Recommendation

Grant permission for Superintendent Mike Milstead to accept a bid on behalf of the Board for the Special Education classrooms to be built at Ruston High and notify the School Board at the next schedule meeting. The accepted bid amount could not exceed the projected amount more than 15% for the Superintendent to exercise this option.

SUBJECT: Sale of Land in Hico

Background

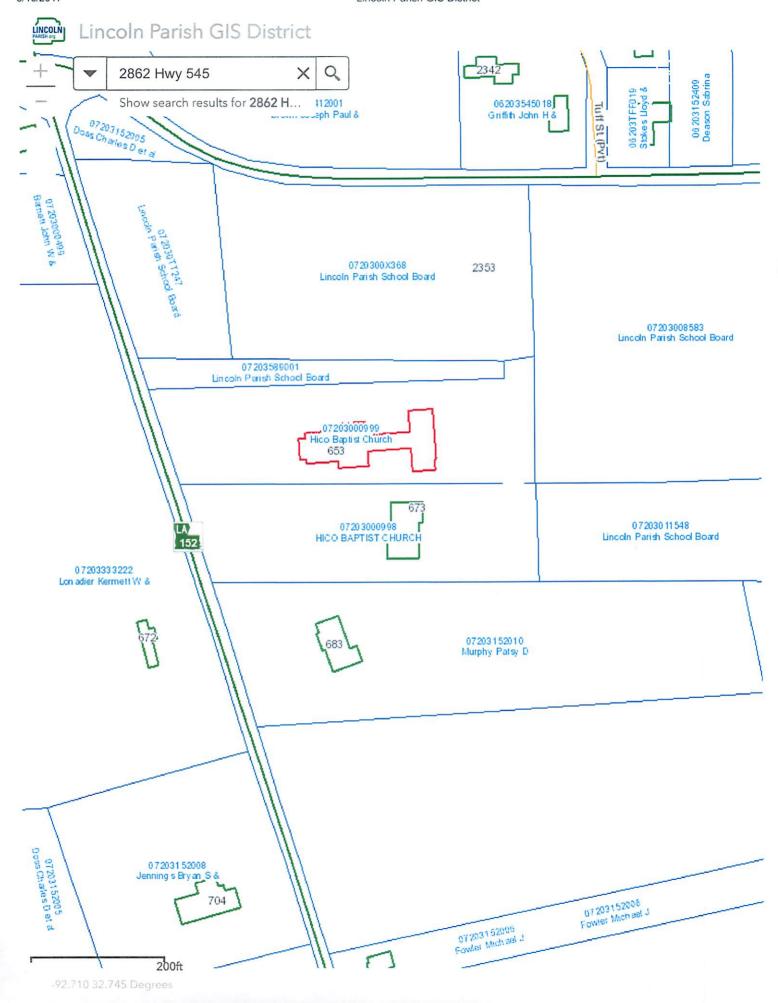

Hico Elementary School, its parking lot, and playground used to sit on approximately 9 to 10 acres of land. The last of it was cleared several years ago because of liability issues. I am recommending the sale of the property as it is of no further use with the Board; however, I propose that the Board retain the oil, gas, and mineral rights. I have attached a copy of the plats and ordered an appraisal on the same. The Board's attorney, Jeff Robinson, is examining the records.

I am proposing that the Board grant permission to advertise for bids to sell the above-mentioned property with a minimum bid of the appraised price plus the cost of the appraisal.

Recommendation

Board approval, pending an appraisal, to advertise for bids to sell 9 to 10 acres of property in Hico without the oil, gas, and mineral rights with a minimum bid of the appraised price plus the cost of the appraisal.

SUBJECT:

Proposed Budget for the Year Ended June 30, 2018

Background:

In accordance with Louisiana Revised Statute 39:1301, et.seq., the proposed budget for a school board must be adopted no later than September 15th of each year. The proposed budget for 2017-18 has been made available to the public and is now submitted to you for your approval.

The following is a summary of all projected revenues, expenditures and fund balances of the School Board for 2017-18:

Estimated Beginning Fund Balances – July 1, 2017	\$ 37,567,186
Projected Revenues	71,331,224
Projected Expenditures	77,067,139
Projected Excess of Expenditures Over Revenues	5,735,915
Projected Ending Fund Balances – June 30, 2018	\$ 31,831,271
	=========
Projected Unreserved Fund Balances	\$ 10,869,393
Projected Reserved & Designated Fund Balances	20,961,878
Total	\$ 31,831,271

Please keep in mind the proposed budget is not exact and could change throughout the year should unforeseen circumstances occur; and, that the budgeted figures are conservative. Also, please note that the fund balance figures above do not represent funds available to spend for discretionary purposes. As noted, a portion of these fund balances are designated for specific uses as authorized in tax propositions and other accrued long-term liabilities of the School Board. Some ending fund balances exist solely to provide for certain fund expenditures until collections are received again in January 2018.

Recommendation:
That the Board adopt the 2017-18 proposed budget as presented, and grant permission for the administration to amend the budget as needed throughout the year and bring a final revised budget to the Board for approval at year end.

Health Plan Recommendations

Background:

The Health Plan has been operating at a deficit during 2017. We have been working with Mr. David Charpentier, Vice President of Brown & Brown Insurance to determine the changes that need to be made to the plan moving forward. Mr. Charpentier's recommendations are attached.

Specifically we are recommending the following adjustments to our plan effective January 1, 2018:

- 1. Increase Emergency Room Co-Pay from \$200 to \$250.
- Increase Pharmacy Deductible from \$250 to \$350.
- 3. Pharmacy Copays Increase from:
 - A. \$10 Generic to \$20.
 - B. \$30 Preferred Name Brand to \$60.
 - C. \$100 Non-Preferred Name Brand No Change.
- Adopt a Closed Formulary for drugs.
- 5. Exclude drugs that are essentially over the counter drugs which are combined into a Prescription Drug.
- 6. Exclude drugs that have over the counter alternatives.
- 7. Increase the all-inclusive Maximum Out of Pocket from \$3,500 to \$4,500

Recommendation:

Approval of the Health Plan Recommendations

Health Plan Review and Potential Adjustments for 2018

There is good news in the Health Plan experience through June, but there are also some trouble spots. The Benefit changes that were made last year designed to offset expected cost increases this year have worked thus far. Total claims cost is flat on a per member per month basis. However, the plan cost for Prescription Drugs continues to increase both in dollars, and in the share of total plan cost as illustrated below. Left unchecked, it will surpass the cost of Medical Care in this decade.

Medical claims cost is actually down, but the increase in Prescription claim cost has offset that reduction to get us to flat. The changes made last year were designed understanding this dynamic. On a per member per month asis Prescription Cost is up 27% for January through June. Due to elements of the Affordable Care Act, it is difficult to isolate the Pharmacy Cost in Benefit Design (Deductibles, Co-Payments, and Out of Pocket Amounts). The Act requires that all costs now track to the Maximum Out of Pocket, including Medical and Pharmacy, inclusive of Deductibles, Co-Payments, and Co-Insurance. This limits the effect of increasing front-end cost shares unless the Maximum Out of Pocket also increases.

There are other things that can target Pharmacy Costs however. One that BlueCross has rolled out to its fully insured book of business is a Closed Formulary. This essentially means that only Formulary Drugs will be covered, Non-Formulary Drugs will be denied. There are approved drugs in every drug category, but some members will have to change from one to another. BlueCross is now offering its Closed Formulary to Self-Funded Plans like Lincoln Parish. We think it should be considered. There is not sufficient data to put a savings number on this change now, however aside from expected savings, this is the only way that the Plan can proactively protect itself from constant actions by the drug manufacturers that are detrimental to the Plan.

As an example, there is an ever-changing list of drugs that are essentially over the counter drugs that cost a few dollars which are being combined (by large Pharmaceutical Companies) into a Prescription Drug and sold for hundreds or thousands of dollars per fill. Those can be excluded and we recommend doing so. Additionally, there are many drugs that have over the counter alternatives, these can be excluded as well. For instance, Nexium was once one of the Plans high cost prescription drugs. It is now available over the counter. We recommend excluding these from the Plan.

While we have offset this year's price increases thus far, the trend is ever upwards. With the current trends, if nothing is done, we would expect claims to increase in the six to seven percent range in 2018. We have modeled some benefit changes attempting to offset that expected cost increase as follows:

- o Emergency Room Co-Pay Increase from \$200 to \$250
- Pharmacy Deductible Increase from \$250 top \$350
- o Pharmacy Copays Increase from:
 - \$10 Generic to \$20
 - \$30 Preferred Name Brand to \$60
 - \$100 Non-Preferred Name Brand No Change
- o Maximum Out of Pocket increase from \$3,500 to \$4,500 (without this change, the others will have limited effect)

We will work with BlueCross to exclude some maintenance Drugs from this increase, such as some Diabetes and High Blood Pressure meds to encourage treatment compliance. These discussions are ongoing.

You will note that the changes are mostly targeted to the Pharmacy benefit, which is where the pain is. The exception is the Emergency Room which is another pain point. However, as mentioned above, the maximum out of pocket also must be adjusted in order for the front-end changes to have full effect.

These changes are not mandatory, and the Lincoln Parish School Board can always cover the increase in cost rather than adjust benefits. It is never easy to shift more of the burden to employees, however, the share of claims cost the employees and retirees paid in 2016 was 16%. This is historically low for Lincoln Parish meaning the Plan has absorbed more of the increase in cost than the employees. We won't know 2017 numbers until January.

Re:

Change Order #1 for Ruston Junior High School Toilet Modifications, Ruston High

School New Auditorium Ceiling, and Dubach Toilet Modifications

Background

We request your permission to formally approve the following change order for renovation and construction at Dubach School: Install a new electrical panel feeder at Dubach School. The existing panel is located in an area where restroom modification is to take place. The cost of relocating the new panel is \$13,386.84. The money to pay for change order #1 will be taken from the \$12,000.00 contingency credit allowance. Taking this into account the total cost of change order #1 is \$1,386.84. There will be no additional days added to the contract time.

Recommendation

Board approve change order #1 for toilet renovation and construction at Dubach School for the amount of \$1,386.84.

Re: Permission to Execute Substantial Completion for Ruston Junior High Toilet

Modifications, Ruston High School New Auditorium Ceiling, and Dubach Toilet

Modifications

Background

Most of the work at Ruston High School, Ruston Junior High and Dubach School is complete. At this time it is necessary that we request formal permission from the Board to execute substantial completion on this project based on the recommendations of the architect after his preparation of the final punch list and other appropriate documents. Substantial completion means the owner can use buildings and the owner becomes responsible for insurance.

Recommendation

The Board grant permission and authorize the Superintendent, his staff, and the architect to execute the substantial completion documents for construction at Ruston High School, Ruston Junior High and Dubach School.

MEMORANDUM

TO:

Lincoln Parish School Board Members

FROM:

George Murphy, Business Manager

MMMike Milstead, Superintendent

DATE:

August 9, 2017

SUBJECT:

November Salary Supplement Checks

Background

We have analyzed the fund balance of the 2000 Sales Tax fund (which funds the November Supplement Check) over the last several years and at this time; we are recommending an increase in the check that we anticipate will be able to be sustainable. In future years, a reduction may be necessary if we have a sustained period of decline in sales tax collections. Last year, the thirteenth check cost the school board \$2,200,680.63. We propose that the supplements be increased from \$2,500 to \$3,000 for certificated personnel and from \$1,250 to \$1,500 for support personnel. The increase is expected to cost the school board an additional \$461,475.12. This increase is being funded through reserve funds. The fund balance for the 2000 Sales Tax Fund at June 30, 2017 was \$3,276,533.

Recommendation

That the Board approve the payment of salary supplements on November 17, 2017 in the amounts of \$3,000 to certified personnel and \$1,500 to support personnel.

Re:

Credit Change Order #1 for Security Improvements at Choudrant Elementary,

Choudrant High, Dubach School and Simsboro School

Background

We request your permission to formally approve the following credit change order for work at Choudrant High School:

- 1. Remove and replace 72' of curb and gutter add \$2,884.00;
- 2. Add black coloring to the concrete paving at front entry of the school add \$411.00;
- 3. Remove and replace approximately 150 linear feet of sidewalk on the east side of the school add \$6,500.00; and
- 4. Credit for contingency and hardware allowances credit \$10,000.00.

No days will be added to the contract.

Recommendation

Board approve credit change order #1 for security improvements at Choudrant Elementary, Choudrant High, Dubach School and Simsboro School the amount of (\$205.00) that includes items 1. - 4. above.

Re:

Permission to Execute Substantial Completion for Security Improvements at Choudrant

Elementary, Choudrant High School, Dubach School and Simsboro School.

Background

All of the Security Improvements at Choudrant Elementary, Choudrant High, Dubach School and Simsboro School are complete and functional. At this time it is necessary that we request formal permission from the Board to execute substantial completion on this project based on the recommendations of the architect after his preparation of the final punch list and other appropriate documents. Substantial completion means the owner can use the equipment and buildings and the owner becomes responsible for insurance.

Recommendation

The Board grant permission and authorize the Superintendent, his staff, and the architect to execute the substantial completion documents for Security Improvements at Choudrant Elementary, Choudrant High, Dubach School and Simsboro School.

MEMORANDUM

TO:

Lincoln Parish School Board Members

FROM:

George Murphy, Business Manager

Mike Milstead, Superintendent

DATE:

August 4, 2017

SUBJECT:

Resolution Authorizing the Superintendent to Sign the Uninsured Motorist

Form

Background

The State Department of Insurance has issued required guidelines relating to Uninsured Motorist coverage. It is now required that each school system include in the board minutes a consent item authorizing the Superintendent to sign the Uninsured Motorist form.

Recommendation

That the Board adopt the Resolution authorizing the Superintendent to sign the Uninsured Motorist Form.

Contact Person:

George Murphy

Louisiana Public Schools Risk Management Agency Uninsured/Underinsured Motorists Bodily Injury Resolution

The following resolution should be pla	aced in the minutes of the <u>Lincoln Parish School Board</u> held on
	authorizing the superintendent to sign the required Louisiana reflecting the selection of or rejection of Uninsured/Underinsured
	moved, and seconded by
to authorize the superintendent to sign the	e required Louisiana Uninsured/Underinsured Motorist form reflecting
a selection of or rejection of Uninsured	d/Underinsured Motorist Coverage. This selection is applicable to
Commercial Automobile Insurance Cov	verage for the period of October 1, 2017 to October 1, 2018, as
presented.
