Why Do We Need These Sources of Revenue?

- Enhanced School Safety is more vital than ever.
- School security is one of the top issues in the United States. We need to do all we can to ensure the safety of our students and teachers.
- Complete funding of our Enhanced School Calendar.
- Provide for a more robust early childhood program.
- Ensure that we support and keep our really great teachers.
- Diminish financial burden of K-5 student fees and supplies.
- Construction of 6th grade center at RJHS allowing a stand-alone site for Enhanced School Calendar.
- Providing a voluntary language immersion program for elementary students.

How Will Passing These Propositions Help the Lincoln Parish Schools and Our Community?

- Our quality of life is directly related to the quality of our school system. Talent and innovation drive economic development, define quality of life, and is a hallmark of the future of Lincoln Parish Schools.
- A quality school system must provide the safest possible learning environment--without safety, nothing else matters.
- Enhanced School Calendar schools provide more effective learning opportunities for students.
- A stand-alone ESC school provides a voluntary 210-day school year for students in K-5 across the district.
- The innovative Lincoln Parish schools will enrich the educational process through Language Immersion opportunities in K-5.
- Sixth grade students move to RJHS where they presently participate in some sports. IAL would then be used as K-5 ESC School.

Students and Teachers Need Your Continued Support

- Lincoln Parish School District is recognized as a Top 10 Trailblazer district.
- All Lincoln Parish students should be afforded the very best our community has to offer.
- Lincoln Parish schools must continue to remain as the #1 performing district in North LA.
- Local financial support remains critical for increasing (1) school safety, (2) student opportunities, and (3) our District Performance Score.
- Lincoln Parish should be second to none in school safety and student opportunities for all our children.
- Partnerships continue to increase support for the educational enhancement of our students.
- Programs such as (1) more effective Early Childhood Centers, (2) Enhanced School Calendar, and (3) Language Immersion, will help keep Lincoln Parish a high performing district.
