

2019 Millage Considerations

Project SECURE: Safety Enhanced Campuses United for a more Robust Education

1. 7 Additional SROs insuring at least one officer at each school.
2. 3 Mental Health specialists specifically assigned to schools. This supplements our present district staff.
3. Updated/hardened school entrances; 3-step approach to get into a facility.
4. Fund Enhanced School Calendar for up to 700 students.
5. Relocate 6th grade students from I. A. Lewis to RJHS, constructing a 6th grade center at RJHS.
 - I. A. Lewis becomes our Enhanced School Calendar facility for the District.
6. Add 14 Early Childhood classrooms—8 at LPECC, 4 at Choudrant Elementary, 2 at Simsboro Elementary
7. Provide for Language Immersion classrooms as a follow up to our present Language immersion program at LPECC.
8. Construct small maintenance facility. Moving Head Start into Lincoln Center forced us to house Maintenance in a small portable building.
9. Pay K-5 student supplies/fees up to \$60 per child.
10. Provide a \$500 teacher pay increase and incentivize high performing teachers with additional pay. (TIF)
