Memo To: Lincoln Parish School Board Members

From: James Payton, Construction Supervisor J.P.
Mike Milstead, Superintendent

Date: December 10, 2019

Re: Permission to Advertise for Bids for the Ruston High School Band Building and the Eco Car Building.

Background

Preliminary plans for both the Ruston High Band Building and the Ruston High Eco Car Building were reviewed at an earlier School Board meeting. The architect and the engineer have now completed the construction documents for both buildings. Funds to pay for the Band Building will come from the Headstart insurance settlement fund. The majority of the funds for the Eco Car Building will come from the insurance carrier paying for the recent tornado damage. We are now ready to request permission to advertise for bids on these projects.

Recommendation

That the Board grant permission to advertise for bids on the Ruston High School Band Building and the Ruston High School Eco Car Building.
