SUBJECT: May Salary Supplement (14th) Check

The annual May salary supplement check is funded by local taxes collected from **four** sales tax levies (1967, 1979, 1993, and 2000) and a portion of the 2000 Ad Valorem parishwide millage.

The May 2023 salary supplement distribution is currently being reviewed. A recommendation for the May 2023 distribution will be presented to you at the meeting.

Below are the details about last year’s May distribution checks for your information and reference only. Please remember there was an increase in the May 2022 sales tax supplement check payment, and funds from the May 2022 check (\$1,200/\$600) were moved to employee salary schedules in 2022-23 to increase employee monthly pay.
